OBJECTIVE

Aspiring Network Engineer with a strong foundation in Computer Networks, Network Troubleshooting, Routing Switching, and Cloud Technologies. Passionate about designing, managing, and optimizing network infrastructure while ensuring reliability and performance. Eager to apply technical skills, networking certifications, and problem-solving abilities to contribute to Cisco's innovative networking solutions.

EDUCATION

B.Tech, Electronics and Communication Engineering 2023 – 2027
Godavari Institute of Engineering & Technology

Intermediate (MPC) Sri chaitanya junior college 2021 – 2023

SKILLS

- **Networking:** TCP/IP, OSI Model, Routing Switching, DNS, DHCP, Network Troubleshooting
- **Networking Tools:** Cisco Packet Tracer, Wireshark
- **cloud:** Oracle Cloud Infrastructure (OCI)
- **Programming:** Java ,Java script
- **AI/LLM:** Prompt Engineering, Large Language Models (LLMs), AI Chatbot Development
- **Web Technologies:** HTML, CSS, React.js, Node.js
- **IoT:** Internet of Things (IoT)
- **Tools:** Git, GitHub, Postman

INTERNSHIPS

Web Development Intern
Cantilever (Virtual Internship) Oct 2025 — Dec 2025
Worked on web development and backend implementation, gaining experience in API integration and RESTful services. Assisted in building and testing web applications while enhancing debugging and problem-solving skills.

Techwing frontend intern
Dec 2025 - feb 2026

PROJECTS

On-Demand Smart Ambulance Mobile Application
Developed a Flutter-based mobile application for emergency ambulance booking with real-time location tracking. Designed a user-friendly interface to improve coordination and response time during emergencies. Project Link

Student Management API using Node.js and MongoDB
Developed a RESTful Student Management API using Node.js, Express.js, and MongoDB with CRUD operations and Postman-tested endpoints. Project Link

AI Tutor Web
Developed an AI-powered educational platform leveraging LLMs for personalized tutoring and intelligent doubt-solving. Implemented student login and a user-friendly interface to improve learning outcomes and engagement. Project Link

AI Tutor App
Built an AI-powered learning platform for 6th to 10th grade students that provides instant answers to academic questions, personalized guidance, and an interactive learning experience through a user-friendly interface.
Project Link

CERTIFICATIONS

- Certiport Networking Certification
- Oracle Certified Foundations Associate (Oracle Cloud Infrastructure AI Foundations)
